1. Candidates who wish to apply for more than one category of posts should submit separate Application along with requisite fees for each.
2. SUBMISSION OF MORE THAN ONE APPLICATION FOR ONE PARTICULAR POST IS STRICTLY FORBIDDEN. THE CANDIDATURE OF A CANDIDATE, WHO SUBMITS MORE THAN ONE APPLICATION FOR ADMISSION TO THE SELECTION PROCEDURE, WILL BE CANCELLED EVEN IF HE/SHE IS ADMITTED TO THE SAME.
3. The qualifications prescribed in the advertisement are as per the notified recruitment rules issued by Government.
4. All the degrees/diplomas/certificates mentioned in the advertisement must have been obtained from recognized Universities/Institutions.
5. The prescribed 'essential qualifications' are the bare minimum and mere possession of the same does not entitle applicants to be called for the interview. Where the number of applications received in response to the advertisement is large and it is not conveniently possible for the Commission to interview all the applicants the Commission may restrict the number of candidates to be called to interview to a reasonable limit on the basis of either higher qualifications in the relevant subjects/higher standard of marks/grade obtained in the essential qualifications or experience in relevant field higher than the minimum prescribed in the advertisement or on the basis of a Preliminary Screening Test (P.S.T.). The Commission may fix qualifying cut-off marks for all the categories of the vacancies in each level of examination, i.e. P.S.T. & interview.

Note : Commission has fixed qualifying marks in Interview in the following manner in order to be considered suitable for vacancies in the respective categories:

Sl. No.	Category	Qualifying Marks
1.	General	40%
2.	OBC	38%
3.	SC	35%
4.	ST	30%

Candidates unable to secure such qualifying marks would not be considered for the post, irrespective of their academic qualification and for marks obtained in P.S.T. Commission may further lower the qualifying level category-wise as and when necessary in the event of non-availability of candidates for filling up vacancies in a particular category.

The qualifying marks for Differently abled candidates will be 2% less than what is prescribed for a particular category. However, in case sufficient number of candidates are not available even after applying 2% relaxation of marks as per existing procedure, the differently able candidates up to 5 times the vacancy in the respective category may be called to interview irrespective of the scores/marks secured by such candidates.

IN THE CASES OF SCREENING TEST, CANDIDATES SUFFERING FROM BLINDNESS OR LOW VISION AND LOCO-MOTOR DISABILITY OR CEREBRAL PALSY WITH WRITING EX tremITY WILL BE ALLOWED THE HELP OF A SCRIBE, IF REQUIRED. THE SCRIBE SHOULD NOT POSSESS EDUCATIONAL QUALIFICATION HIGHER THAN THE REQUISITE QUALIFICATION FOR THE POST.

If sufficient number of candidates with prescribed age limit is available for selection for a particular post, the commission may exercise its discretion not to relax upper age limit of the candidate(s) even if the provision for such relaxation is laid down in the advertised criteria.

6. In cases where no Division/Class is awarded and only grading is done, exact percentage of marks and conversion formula adopted are to be mentioned with documentary evidence if required.
7. Where experience of a number of years is prescribed as an item of qualification this would mean only experience/research experience gained in full time employment/research in the relevant field within the closing date of receipt of applications. [Certificate(s) from the Head(s) of the Organization(s)/Department(s) or Competent Authority for the entire experience claimed, clearly mentioning the duration of employment (date, month and year) and field of experience indicating basic pay and consolidated pay must be obtained. The certificate(s) should also mention the nature of duties performed/experience obtained in the post(s) with duration(s)].

Examiners are requested to make a special note of the following rules and instructions :

1. Wherever there is a Head Examiner, Chairman or Convener, it is essential for the Examiners to attend the Examiners' meetings and to take delivery of the packet of script allotted to them on the date of Examiners' meeting. Be it mentioned here that if any Examiner fails to attend the Examiners' meeting without any prior information the answerscripts allotted to him/her will be distributed amongst the examiners present on the date of Examiners' meeting.
2. Examiners in subjects for which there are no Head Examiners, Chairmen or Conveners should take delivery of the scripts not earlier than the 7th day but not later than the 12th day after the actual date of examination. The letter of appointment must always be shown at the time of taking delivery of scripts. It is desirable that Examiners should personally take delivery of the scripts. In unavoidable circumstances and agent is sent, he/she must have a letter of authority together with the letter of appointment. If delivery of scripts is not taken within the time specified above, it will be presumed that the Examiner concerned is unwilling to examine the papers.
3. Immediately after receipt of the packet of scripts, Examiners should carefully check the number of scripts (with Roll Numbers) and compare the same with the statement on the top-sheet. Any discrepancy noticed should be reported to the Controller of Examinations forthwith. Details of the papers received indicating absentee and expelled cases as would appear on the top-sheet should be sent to the Head Examiners, Chairmen or Conveners along with first instalment of marks. Original top-sheets should be retained with the Examiners till the date of announcement of results.
4. Instructions from Head Examiners, Chairmen or Conveners regarding procedure of examination and methods of marking should be rigorously followed. This is essential for ensuring a uniform standard of assessment.
5. Examiners are particularly requested to compare the Roll Numbers and Registration Numbers written on the answer-books with those appearing on the slip rolls (to be supplied by the University), before posting the marks. Special care should be taken to distinguish the rolls of men and women regular, external and non collegiate candidates. Under no circumstances marks of different categories of candidates be entered in one slip roll.
Any discrepancy noticed should be immediately reported to the Controller of Examinations.
6. The examined answer-books and the corresponding mark-slips should be sent in two instalments evenly distributed over the period at disposal or according to the instructions of Head Examiners, Chairmen or Conveners. The last date for submission of marks should be strictly adhered to. If an Examiner is unable to complete his/her work within the limits of time specified, he/she should return all unexamined papers to the Controller of Examinations without any delay. If no last date is specified, the marks and examined scripts should be sent within ten days from the date of receipt of the scripts.
7. All mark-slips should be put in special printed envelopes (to be supplied by the University), properly sealed and then sent to the Head Examiners, Chairmen or Conveners along with the corresponding examined answer-books.
The mark-slips in subjects for which there are no Head Examiners, Chairmen or Conveners should be sent in two separate sealed envelopes (for First and Second Tabulators) and these two envelopes enclosed in a sealed outer cover should be sent direct to the Controller of Examinations by name.
8. If Examiners are convinced from internal evidence in the scripts that candidates have adopted unfair means and/or are guilty of breaches of discipline, an immediate report should be made to the Controller of Examinations by name through the Head Examiner, Chairman or Convener concerned and the relevant scripts should be sent along with such report.
9. Any change of address should be immediately communicated to the Controller of Examinations in a separate letter.
10. Information regarding Roll Number, Registration Number and College of near relations and students privately coached, if any, should be communicated to the Controller of Examinations in a separate letter.
11. It is essential that marks and assessed scripts are sent to the Head Examiners/Chairmen within 12 days from the date of Examiners' meeting.
